“I am running...”

- To give the people of Box Elder and Cache Counties a stronger voice in state government
- To give the people of Box Elder and Cache Counties a choice of who they want to represent them
- To promote and improve public education, public safety, transportation, healthcare and economic development
- To serve with integrity and high ethics while promoting a balance in Utah government
- To partner with businesses, community leaders, and local governments to develop long-term solutions and opportunities
- *Because I care about people and I want to make a difference!*
