**Bylaw Amendment Proposal:**

**#1 - Bylaw Proposal 4E - County Party Neutrality**

**Sponsor: Gina Worthen, North Logan 04 April 14, 2021**

*(additions are bold/underlined)*

**(4E1) County Party officers, Executive Committee members, and staff (volunteer or paid) shall assist and provide, without discrimination or restriction, equal access to Party information and services within their responsibility to all Republican candidates without charge.**

**(4E2) County Party Officers, Executive Committee members, and staff (volunteer or paid) shall not publicly endorse or oppose any Republican candidate for partisan public office in Utah while the candidate is opposed by another Republican candidate for the same office. This neutrality requirement shall not apply to the U.S. Presidential race.**

**Reason:**

The Cache County Republican Party has long had a tradition that Party Officers (chair, vice chair, treasurer and secretary) as well as the Executive Committee remain neutral through the Primary Election or Vacancy Election. It has not been a written rule, and therefore, lately the tradition has been changing to allow endorsements and assisting in campaigns. It is the duty of the Party Officers and the Executive Committee to ensure the integrity and fairness of elections. Candidates and their supporters need to trust they will be treated equally and fairly. It is extremely difficult to build this trust if officers and committee members are publicly campaigning for, rooting for or otherwise helping the opposing candidate. Committing to remain neutral changes the priority of one's focus and behavior from helping a specific candidate to helping all candidates. To ensure the integrity of elections and to build trust with candidates for the caucus/convention system, it is imperative that County Party leadership remain neutral.

Presented by Gina Worthen: this bylaw change does not apply to inner party elections - only to convention/primary - county party officers have responsibilities & privileges - candidates need to know they will be treated fairly

Jon-David Jorgensen spoke against: Davis county has similar provision but has considered removing it because it became a weapon - ethics committee involved - created contention

**Call the question by Jennifer Henson/Second:Gina Worthen  
Voice vote - division called - 28 For 21 Against**

**Point of order by Heather Jensen (PAR): Bylaw 10B says 2/3rds must be present to  
change bylaws - bylaw cannot be passed in this meeting**
