ARTICLE 9. VOTING

(9A) All matters to be voted upon by any committee established by these By-laws or any convention or precinct caucus shall be by majority vote of those present and authorized to vote, unless otherwise specified herein. An election vote among multiple candidates to fill more than one position that does not produce enough majority vote winners to fill the positions shall be completed either by additional rounds of voting among the remaining candidates or by ratifying the plurality vote winners by a majority vote. Voting for each office at any Central Committee meeting or county convention shall be among only the voting precincts governed or represented by that office. These votes shall be in person and by paper ballot or other method that can be verified and audited. Voting by proxy is

expressly prohibited at any meeting of any committee established herein or any convention or precinct caucus.

(9B) The County Executive Committee and Elected officials shall be entitled to participate in all elections and all other matters before the County Convention in the same manner as any delegate to the Convention

(9C) Multiple balloting at the county convention or at Central Committee meetings may be done by successive ballots or by a combined instant runoff ballot or by a combination of those two methods, as determined by the Central Committee.

(9D) Any candidate for elected office who receives at least 70% of the votes cast for that office on any ballot at the county convention shall be the party's nominee for that position. If no candidate receives that total on the final ballot, then the two (2) candidates receiving the most votes will be certified for the primary election ballot, and the primary election results will determine the party's nominee.

(9E) Any candidate who is unopposed at the county convention must be confirmed by a majority vote at the convention to be the party's nominee for the respective office.

Robert's Rules of Order shall be followed.
