Voting Threshold

Bylaw 9A: All matters to be voted upon by any committee established by these By-laws or any convention or precinct caucus shall be by **majority vote** of those **present** and authorized to vote, unless otherwise specified herein.

Bylaw 10B: These By-laws may be amended at any time by a **two-thirds (2/3)** vote of qualified voting members or delegates **present** at a regular or specifically called County Central Committee meeting or County Convention, respectively.

Voting Percentage Calculation

Due to 9A requiring a “majority vote of those **present**,” Roberts Rules 44:7-9 requires the denominator of the percentage calculation include all credentialed voters in the hall *at the time of the vote* whether they vote or not. To comply with this requirement, the chair will ask if everyone has voted before closing balloting so the ballot count is the denominator.
